Choosing a course

• If it's your first time here at LDA we will help you to choose the right salsa course for you we can arrange an evaluation time with one of our instructors to see how high we can place you in our program. • Evaluations can only be done every Tuesday at Cecil Sharp House or/and Wednesday at the Kajima Centre between 6.30pm and 10pm. • If you are already a LDA student you will need to ask your teacher before moving up into a new level. If you are not sure please don't hesitate to ask the teachers for help and advice. • To achieve a completed and continuous learning program, it is not possible to do 2 or more Salsa (partner-work) courses at the same time. • Please be aware that LDA is ONLY running one course for each Salsa level at the moment. If we allow you to take more than one course you may be taking somebody else's space who may need it more than you. • We want to be fair and give the opportunity to people to choose their right level. In the future LDA is planning to run more than one course at the time in each level, so students will be able to register for more than one Salsa course. • Entry to levels Salsa 3.3, Salsa 4, Mambo 3 and Bachata 4 is subject to evaluation before registration. • Latin Dance Academy reserves the right to cancel any course at any time with full refund, or roll over credit to the students affected by it. • Latin Dance Academy reserves the right to refuse any student at any time. • Students will not be allowed into the classroom until the time of his/her lesson. You will not be able to go in until the previous lesson is over. • LDA reserves the rights to assign their teachers to each course according to the school and students requirements..
